

Objective and Subjective: What's the difference?

Brainstorm a list of INFORMATIONAL TEXT TYPES:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

Good. Now let's think about how much OPINION or BIAS is included in each type. Rate is on a scale of 1-5. 5 is REALLY biased and 0 would be NO bias at all. Write the rating next to the item on the list above.

Now, let's put it on the SUBJECTIVITY SPECTRUM:
