### **Positive Feedback**

My favorite thing that you said was...because...  
You were very professional in the way that you...because  
I think you are a good speaker because...  
I really liked it when you...because...  
I am very interested to learn more because...

### **Constructive Feedback**

Next time you speak, try to...because...  
I was a little lost when you talked about...because...  
The one thing that you might be able to do better next time is...because...  
I have a question about...because...
